## TRUSTED COQ10 FOR CLEAN DAILY ENERGY AND CELLULAR PROTECTION

CoQ10 plays a central role in how your body produces energy, making it an essential nutrient for athletes, active individuals, and anyone who wants to feel more energized throughout the day. As natural CoQ10 levels decrease with age or intense training, supplementation can help support healthy cellular function and vitality.

This formula uses certified ubiquinone, the clinically recognized form of CoQ10 backed by decades of research. It supports the body's natural antioxidant defenses, helping protect cells from oxidative stress brought on by strenuous workouts, environmental exposure, and daily life.

Each batch is HPLC tested to ensure purity, potency, and consistency. The natural fermentation process developed in Japan allows for a clean ingredient profile that supports better trust, transparency, and quality. This approach makes the formula suitable for people who prioritize safe, reliable supplements.

Taken daily, COQ10 helps support steady energy production and natural heart wellness while complementing any active lifestyle. Whether you are training hard, tracking performance goals, or simply looking to maintain everyday vitality, this formula provides the support your body depends on.

## PURE DAILY SUPPORT FOR ENERGY AND HEART WELLNESS.

## FREQUENTLY ASKED QUESTIONS

### What does COQ10 support?

CoQ10 helps maintain cellular energy, antioxidant protection, and natural heart wellness. It supports endurance and vitality without stimulants.\*

### Is this ubiquinone or ubiquinol?

This formula uses ubiquinone, the classic and widely researched form of CoQ10 known for its stability and reliability.\*

### How is the quality ensured?

Every batch is HPLC tested and produced through a natural fermentation method developed in Japan for purity and consistency.\*

### Can this be taken with other supplements?

Yes, CoQ10 is commonly paired with daily multivitamins, omega-3s, and performance supplements. If taking medication, consult your healthcare provider.\*

**Suggested Use:** Take one capsule daily with food. Use consistently for ongoing antioxidant and cellular energy support.
