## YOUR DAILY PLANT-POWERED NUTRITION RITUAL

Most active adults struggle to eat enough fruits and vegetables, especially when life gets busy. Green Supreme Fusion delivers the equivalent of five servings of produce in one easy glass, with plant based superfoods, algae, fiber, and chlorophyll that support daily wellness.

Unlike basic greens powders, Green Supreme Fusion includes SAN's MCAB, the Mycelium Cultured Adaptogenic Blend featuring Reishi, Lion's Mane, Cordyceps, and Shiitake mushrooms for natural vitality, mental clarity, and balanced energy without caffeine crashes. Ideal for athletes, professionals, and anyone who wants to feel and perform better throughout the day.

To support digestion and gut comfort, we layered prebiotics and probiotics with a plant enzyme matrix that helps break down food to improve nutrient assimilation. Customers frequently report smoother digestion and more consistent energy throughout the day.

Plant based, antioxidant rich, and easy to mix, Green Supreme Fusion works effortlessly within a morning ritual, smoothie routine, or travel lifestyle. It is wellness in a scoop, with no prep, no produce washing, and no excuses.\*
