## PREMIUM COLLAGEN PEPTIDES FOR ACTIVE HIGH PERFORMING BODIES

Collagen naturally declines as we age affecting everything from skin elasticity to joint comfort. For athletes and people with active lifestyles healthy collagen levels support recovery movement and overall daily performance. Marine Collagen provides a clean bioavailable way to support those needs from the inside out.

Sourced from high quality white fish and hydrolyzed for easy absorption this formula delivers 9g of protein per serving. It mixes effortlessly into coffee smoothies shakes or any beverage without altering flavor making it simple to incorporate into a daily wellness routine. It is also pescatarian friendly and ideal for those who prefer a clean label supplement without dairy gluten sugar or fillers.

Marine Collagen helps support healthy skin hair and nails while providing foundational nutrients for bones and joints. Whether you are chasing personal bests at the gym or maintaining an active lifestyle supporting collagen production contributes to mobility resilience and well being.

With no added sweeteners flavors or artificial ingredients this product meets the needs of health conscious consumers who care about purity and performance. It is manufactured in cGMP facilities non GMO and made in the USA for quality assurance.\*
