## JOIN THE XTREME REVOLUTION.

TIGHT XTREME RELOADED V7 is a high-performance thermogenic supplement designed for individuals who want more than just average results. Its advanced formula features clinically studied ingredients like MitoBurn L BAIBA and Grains of Paradise to help activate your metabolism, promote fat oxidation, and support energy production from stored fat. Whether you're pushing through intense training or aiming to accelerate fat loss during a cut, this formula works to keep your body in fat burning mode around the clock.

What makes this formula stand out is the smart blend of clean energy and appetite control. TeaCrine provides smooth, long lasting energy and focus without the jitters or crash associated with typical stimulants.

Yohimbine and GlucoVantage help regulate insulin response, improve nutrient utilization, and support reduced cravings, giving you greater control over your diet and performance. B vitamins enhance mental clarity and mood, helping you stay motivated and sharp even while cutting calories.

With TIGHT XTREME RELOADED V7, you are not just taking a supplement, you are stepping into a complete fat loss support system. From metabolic activation and appetite regulation to mental drive and clean energy, each dose is packed with scientifically backed ingredients that work in harmony to elevate your results. Burn fat, stay focused, and redefine what your body can achieve.

Your all-in-one formula for  
fat loss, focus, and energy.

## FREQUENTLY ASKED QUESTIONS

### Why choose TIGHT! XTREME®?

TIGHT XTREME RELOADED V7 uses advanced ingredients like MitoBurn L BAIBA, TeaCrine, and GlucoVantage to deliver clean energy, metabolic activation, and appetite control—all without the

### Will I feel jittery or overstimulated after taking it?

No. The formula includes TeaCrine, which delivers long lasting, non habit forming energy and focus. Most users experience clean mental clarity and performance without the typical stimulant side effects.

### When should I take TIGHT XTREME for best results?

Take 2 capsules in the morning or 30 minutes before your workout. To assess your tolerance, start with 1 capsule per day. Avoid taking it within 6 hours of bedtime due to its energizing effects.

**Suggested Use:** Take 1 to 2 capsules daily, preferably in the morning or 30 minutes before training. For first-time users, start with 1 capsule per day to assess your tolerance. Avoid taking within 6 hours of bedtime due to its stimulating ingredients.
